## **GENERAL PRICE LIST**

**(Effective August 29, 2016)**

**Prices are subject to change without notice**

TO THOSE WE SERVE:

Federal and State agencies have determined that itemization of funeral services is essential for the benefit of the general public. To ensure that customers are not asked to pay for services they do not desire, it is essential that each item of service be identified. What follows is a detailed listing of the goods and various categories of service we offer. It is our sincere concern that every requirement you may have be fulfilled – in addition to or apart from our standard offerings listed herein. Please feel free to express your wishes to our staff. We will make every effort to meet your needs.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

The goods and services shown below are those we can provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

## **PAYMENT POLICY**

To lose someone you love is a devastating human experience. It can be traumatic and seriously impact one's judgment. Therefore, it is important to be realistic with respect to funeral expenditures. We do not want your choices to be more than is affordable nor less than you would like to arrange. What is important is that arrangements be in keeping with your wishes and budget.

We believe in the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.

## Payment Options

Payment is due 24 hours prior to the funeral or cremation service. For your convenience, we accept 8 methods of payment. We accept:

1. Cash
2. Cashiers Check
3. Debit Card
4. Visa
5. Mastercard
6. Insurance Assignment of a Verifiable Policy
7. Advanced Payment by a Forwarding or Receiving Funeral Home
8. Pre-Arrangement

## Credit Policy

**Sterling & Smith Funeral Directors, Inc. does not extend credit to its customers. As a small company, we do not have the resources to offer payment plans. Consequently, payment is due prior to receiving services. We hope this does not cause any inconvenience. Our trained staff will help you plan a service that is right for you!**

### *A final word...*

Our funeral directors have been in the funeral business serving others for over 20 years. It is not in your best interest, or ours, to sell you something you do not need or want. If you have any questions or need more information, please call us at any time.

Thank you for considering our service.
