“ So many great memories with cousin Georgine. Sitting in aunt Pat's garage listening to country on Sunday's. Her baskets of little chihuahuas, they were so cute and she held them like babies. Whenever she saw her grandbabies Jimmy and Hailey her eyes would light up like the sun. And when Summer came along, she was even more blessed. She was always there for us, and her laughter was infectious. She gave me her old red Datsun when I moved up to Visalia from L.A. I drove it for a few years then handed it down to my sister down South. Her and Robert "bubba" were in disbelief when they heard I drove it over the grapevine and all the way to Orange to give it to my sister. I'm still in shock shes not with us here anymore. But I know we all have a very special angel watching over us. Heaven is a party right now with her, Bubba, Aunt Pat, Uncle Bob, Jimmy, Danny and John. I bet my grampa "uncle Bud" and grammie "aunt Merle" along with my uncle Gregggy welcomed her home with so much love. We mourn with all of you from the East Coast and hold you close in our thoughts. With love, cousin Kimmy Davis

“ Georgina was a beloved “cuz” in the Stevens family. I met her when I was five years old when she started dating our cousin Robert “Bubba”. We loved our visits to see her especially as a teenager as she would take me and my sister Carrie to do fun things. She also gave my sister Kim her car which eventually became my car aka “the crappy car” . We are forever grateful for the light she shone in our lives. The biggest comfort is knowing she’s in the arms of Jesus. She loved Jesus with all her heart and her steadfast faith was an inspiration . She also was a wonderful worker and led a great example of how to be a strong working woman. Today I am happy knowing she’s with Bubba, her parents and the Stevens again in heaven. George, I love you and will miss you, I will forever be sorry I didn’t get to say goodbye but await our reunion in heaven someday.

“ Auto correct changed Georgine to Georgina!

“ So many memories of Georgine. From Blue Birds to Camp Fire girls to High School and especially more recent. Meeting together again with a group of 1974 Tulare Western High School classmates. We had get togethers, meet for dinner, Christmas Caroling(that was fun)! But what I will remember most is the love she had for Summer. She was so dedicated to all Summer needed. There was a very special bond between the two of them. Georgine was a hero. She loved and cared for Summer in such a beautiful way. Her life spoke of sacrifice in so many areas. Especially in loving, caring for and protecting a young girl named Summer . You will not be forgotten Georgine. We all love you!

“ The last time I saw Georgine was a the Orange Jacket thank you party. Just before we all left I hugged her in the kitchen, this was after she worked all night serving drinks to the endless people, but she still had a twinkle in her eye and a smile on her face. Will always remember that moment. What a joy to have had her in my life. Love to the family, Nyelene

“ It is really sad to hear about Georgine, we has a lot of fun throughout the years at the Steven's. She showed me how to shoot pool at the Green Olive years ago. This is just a sad.
